### \*\*\*VIDEO AUDITIONS\*\*\*

Video auditions are for those students who will not be available for In-Person Competition Line Auditions July 18-21. Auditions are required of anyone wanting to be on a competition line next fall grade 3 and up. Dance technique as well as clogging will be judged to determine line placement according to ability. NOT FOR BEGINNERS.

Video audition dancers will be required & responsible to learn all required audition skills outside of class. Skill requirement sheets are available by grade level at the studio & are the same as the in-person audition skills. Dancers must know the name of each step & memorize the order in which they will be done. Dancers will be expected to learn a short routine for the technique/musicality portion of the audition. You will need to check out a DVD with the routine on it to practice, a \$30.00 refundable deposit is required for this DVD. **DVD's will be available to check out June 6<sup>th</sup>.** The tap/clog audition also requires a skill portion and you will do a portion of your 2016 recital routine.

On video audition day, stretch out at home and come at least 15 minutes before your assigned time ready to go. At your assigned audition time we will video tape you doing the required skills, as well as the routine. You will audition in groups of 3 assigned by Jan. You will be judged "via video" by the same judges as everyone else on the same day.

Video audition dancers will be held to the same standards as the in-person audition dancers. They are required to wear a leotard & tights with their hair pulled back & a little make-up. (bootie shorts & a form fitted tank top over the leotard is acceptable. **If you are unsure of steps or have questions, it is your responsibility to ask other dancers for help and practice at home.**
