We, as dancers and parents, realize that regular and prompt attendance at all practices, rehearsals, competitions, and other scheduled events is very important for improvement and success of the dancer AND THE LINE. Irregular attendance (technique classes included) for whatever reason, cannot be tolerated since it is not fair to other dancers.

Accordingly, we, the student and parent, agree to be regular in our attendance throughout the year. We also agree that Jan Tripp, Studio Director, reserves the right to disqualify a student from a group/line for irregular attendance, poor behavior, or conduct unbecoming the studio. In authorizing this policy, Jan will do the following:

- Upon first violation of rules by the student, the student will be verbally warned.
- Upon second violation of rule by the student, the student will be put on probation.
- Upon the third violation of the above rules by the student, the student will be dropped from the line.
