

## 2022-2023 Solo / Duet / Trio Information

If you are considering performing a solo, duet, or trio, please review the following rules; all students interested must adhere to these rules:

1. The dancer(s) must obtain permission to do a solo, duet or **trio prior to starting lessons**.  
NOTE: We will consider several factors when determining whether or not to grant permission including audition scores and staff recommendations.
2. The dancer(s) MUST compete with their line in the area of dance that their solo/duet/trio is in.
3. The dancer(s) must take an hour of extra ballet per week. This is in addition to the normal technique classes required for their line. Ballet classes are an additional \$25/month which will be added to the monthly tuition. Please email the studio with what ballet class you are taking.
4. After you receive approval, you must choose an instructor. You will need the instructor to sign the attached slip. This must be turned in prior to starting your lessons by October 1<sup>st</sup>.
5. A check written out to Jan's School of Dance must be handed to the instructor on the first day of class. Eight half-hour sessions are required (this includes a video session with Jan in late January). Amounts due are as follows:
  - \$315 for a solo.
  - \$215 per dancer in a duet.
  - \$215 per dancer in a trio.
6. After those sessions are used up, the dancer **may purchase additional sessions with the instructor for \$50/hr in 1 hour increments**. You can book them online as private lessons. This must be signed up for and authorized by the studio and notes on the studio calendar.
7. You can reuse a costume, borrow a costume, buy your own costume or order a costume through the studio. If you choose to order a costume through the studio, orders must be turned in by Oct. 15, 2022. A costume down payment of \$75 per costume must accompany the order which must be in writing including company, page, style number, color and size. We will also be hosting an optional costume try-on at a local costume shop this September.
8. All music must be finalized by January 1st.
9. We will assume you are competing in all competitions unless notified in writing. Entry fee down payment(s) of \$200 per dancer per solo and/or \$150 per duet or trios are due Dec 1. and will be posted to your account. (Note: if competition dates are not determined by Dec 1, the date to notify will be modified but the down payment due date will remain Dec 1).
10. The video session with Jan should be considered your 1<sup>st</sup> performance. The dancer(s) must be in full costume with hair and make-up. You must dance to the final cut of your music. Sign-ups for this session will occur sometime after the Christmas break. There will be no make-up sessions(s) for the video session.
11. We will again be having a free competition dress rehearsal at the studio in February with judges!

I have contacted Jan and received permission to perform a (circle one) solo, duet, trio.
